THE X FACTOR News and Information

THE X FACTOR, the highly anticipated singing competition series debuting this fall on FOX, extends its auditions further across the country with unprecedented and specially built high-definition recording studios opening Friday, April 8 in Honolulu, HI; and Phoenix, AZ. Additional studios will open in Nashville, TN, on Saturday, April 9; Anchorage, AK, on Tuesday, April 12; Kansas City, KS, on Friday, April 15; and Denver, CO, on Saturday, April 16. The audition studios will remain open until Saturday, April 30.

Throughout the month of April, anyone 12 years old or over – both solo artists and vocal groups – will have the opportunity to use the state-of-the-art studios to audio- and video-record their a cappella audition and state why they think they have what it takes to be a global superstar.

The unprecedented audition studios allow hopefuls the chance to audition for THE X FACTOR if they aren't able to make it to the open auditions. THE X FACTOR is the first singing competition show to utilize these state-of-the-art recording studios, giving more people the chance to become a global superstar and win a \$5 million recording contract with Syco/Sony Music.

The hopefuls who recorded in MyStudios that are selected by producers to move forward in the competition will advance to the next round of callbacks and will be offered the opportunity to continue their audition, in person, in Dallas or another audition city as determined by the producers.

“These studios were brought to my attention some months ago, and we think they are brilliant way to audition for those people who haven't been able to make it to the cities,” said Simon Cowell. “MyStudio has kindly let us use these high-tech studios for THE X FACTOR auditions,

In a departure from other singing competition series, the first time a contestant auditions for THE X FACTOR judges, he/she will do so in front of an audience of thousands – raising the stakes and increasing the pressure to impress not only the judges, but also a potential legion of fans. This will be the ultimate test to prove they have the vocal ability, charisma and stage presence that it takes to become a global superstar and win an unprecedented \$5 million recording contract with Syco/Sony Music.

Antonio “L.A.” Reid, former Chairman of Island Def Jam Music Group and one of the most influential names in music today, will join Simon Cowell on the THE X FACTOR judging panel. Pepsi will serve as an official sponsor of THE X FACTOR. The comprehensive sponsorship includes an extensive, multi-platform off-air marketing partnership; weekly in-show integrations and placements; and an immersive content experience online.

THE X FACTOR is produced by Syco Television and FremantleMedia North America. Simon Cowell, Rob Wade and Siobhan Greene are executive producers for Syco Television. Cecile Frot-Coutaz, Richard Holloway and Andrew Llinares serve as executive producers for FremantleMedia North America.
